

Iowa HIMSS Chapter Thursday, May 6, 2010 Conference Agenda

Mercy Hospital, 1111 6th Avenue, Des Moines IA - Downtown

“Something for Everyone”

The deadline for Breach Notification has past, Business Associates are required to comply with HIPAA due to the HITECH Act our Keynote Speaker Steven Mitchell, is from Region 7 (Iowa, Nebraska, Kansas and Missouri) the Office for Civil Rights (OCR) the organization tasked with investigating HIPAA complaints. Steve will share with us the Investigation process, the complaints they are seeing, the penalties and the outcomes. **The buck stops here!!**

Dr. Samuel Lederman a HIMSS Davies Award Winner in 2009 will share with us their experience in successfully implementing Electronic Medical Records in their OBGYN Physicians Clinic. **It can be done!**

In honor of Nurses Week Jean McKoy a Registered Nurse will cover the topics of Nursing Workflow and Driving Patient Safety. **This is what all of this is about – Improving the quality of our healthcare.**

Susan Harr from IFMC will give us an update on the Iowa ehealth initiative. **Iowa is building the tools to provide health information Confidentially, with Integrity so it is Available to our providers when they need it to treat us!**
